HOW TO READ THIS DOCUMENT

- Amber cells = Production lead time (working days) — time in 3Sixty's workshop.
- Teal cells = Total days to customer (production + ECO courier).
- Cut-off rule: Artwork must be approved by 11:00 for production to start same day.
- All lead times assume print-ready artwork received — add 1–2 days if design is required.
- Rush orders: Available on most products for an additional fee (R150–R250 flat fee). Rush orders placed before 11:00 start same day.
- Volumetric formula (ECO): $L\text{ cm} \times W\text{ cm} \times H\text{ cm} \div 4000$. Charge on the higher of actual or volumetric weight.
